

TEDxStuttgart is a not-for-profit event organized by unpaid volunteers. All ticket and sponsorship assistance goes directly to paying for expenses such as venue, catering, advertising, and other materials and costs that support the event. **Simply put, we can't produce a TEDxStuttgart event without the help of our sponsors.**

Benefits of Becoming a Sponsor

By becoming a TEDxStuttgart Sponsor, you play a part in the creation of a community who wants to lead in global "ideas worth spreading" that will continue post conference. You also help bring together organizations and individuals who want to be change agents that fuel a local and global conversation around awareness and change.

Last but not least, becoming a TEDxStuttgart Sponsor helps pave the way for a long-term partnership with TED and TEDx around a common vision of leveraging ideas, technologies, design, and education to help create a better future.

Sponsorship FAQs

- **What is TEDxStuttgart?** - TEDxStuttgart is a not for profit event run by unpaid volunteers, and all collected sponsor money goes directly to paying for expenses incurred by the event. Find out more on the [TEDxStuttgart About Page](#).
- **Is TEDxStuttgart a non-profit organization?** - TEDxStuttgart itself is a not-for-profit **event** that does not handle or collect any sponsor money.
- **Why is there an asterisk after the digital program benefit line?** - In order to be more eco-friendly, we will have a full featured 'digital program' accessible from the web, with an accompanying printed mini-program handed out to all attendees at the event.
- **Can we sell products or services at the venue?** - Unfortunately, sponsors cannot sell products or services at the venue. 'Visionary' sponsors have the option to give a gift to our speakers, or allow attendees to demo a unique and not publicly available software, gadget, technology, or product.
- **Are tables available to sponsors?** - Booths and tables are reserved for 'Visionary' sponsors who would like attendees to demo a unique and not publicly available software, gadget, technology, or product. For in-kind sponsors who will be providing attendees with drinks, snacks, and food, we will try our best to accommodate requests for tables. We cannot provide a booth or table to 'Visionary' or in-kind sponsors who intend to sell a product, service, or food.

- **If we're providing drinks, snacks, or food, may we sell to non TEDxStuttgart attendees?** - Unfortunately, in-kind drink, snack, or food sponsors cannot sell items at the venue. In addition, drink, snack, or food sponsors cannot give their items away to non TEDxStuttgart attendees while on the venue's premises.
